Mr. Leo DelZotto  
President  
Tridel Corporation  
4800 Dufferin St.  
Toronto, Ontario  
M3H 5S9

Dear Mr. DelZotto:

On behalf of the 34,000 members of the Universal Workers Union, Local 183, please accept my congratulations on winning the 2005 Tarion Award of Excellence for High-Rise Builder of the Year. I know that is not the first time that you have won this prestigious award and we are confident that there will be many more awards in the years ahead for your company.

Tridel Corporation has always been a leader and an innovator in the construction of high-rise condominiums. Local 183, and the many skilled trades that are in the high-rise sector, are proud of the association that we have had with you in achieving this success.

Tridel's efforts have helped to raise the bar for all projects across southern Ontario, especially during this period of record building activity. We wish you all the best with your current and future projects.

Yours truly,

Antonio Dionisio  
Business Manager
